

Description

This resource includes 744 words and phrases (**Keywords**) used by people when looking for information on **Hobby Ideas**.

The data is listed in alphabetical order.

*As this is data from actual internet users, all data is subject to change.
It is intended to act as a guide for further research.*

Estimate of potential market size

For each Keyword we have provided the estimated searches per month (**Volume**). Volume is a proxy measure for the popularity / market potential of the Keyword. This Volume data came from Google and is for the US only.

This Hobby Ideas Resource is an integral component of Module 6 of our **Inner Entrepreneur course** which is an introduction to entrepreneurship.

Inner Entrepreneur covers the following six main topic areas:

Module 1: Introduction to Entrepreneurship

Module 2: The Essentials of Inspiration, Creativity and Innovation

Module 3: Discover your Personality Traits and Skill Sets

Module 4: The Essentials of an Entrepreneurial Mindset

Module 5: Developing Courage and Resilience

Module 6: Develop a Business Concept for your Idea (which includes this Resource)

If you want more information on the Course, click on the link [Inner Entrepreneur Course](#).

We trust you find this Hobby Ideas Resource useful and that it stimulates new ideas!
